Hello Tyler,

Your current pricing for the cold applied products we discussed are below. Please note that all prices are in 55-gallon drums, F.O.B. Allstates as freight is in constant change and we did not have any quantities to work from.

ALT-674 SealFlex 6690 - \$721 each

ALT-654 Super Flex - \$583 each

ALT-671 Flex Crete - \$1,345 each

Crac Shot Drum Pump (full assembly) – \$4,000 each; Note: Separate drum pumps should be used for asphalt and concrete products.

Full truckloads of drums range between 56-80 depending upon product and truck type. If multiple truckloads would be ordered, additional price discounting would be available.

Thank you,

Mr. Tracey A. Charlson, CPA
