Dear Ms. Washington:

I am writing to inform you that in December 2022 the Sid W. Richardson Foundation approved and paid a grant in the amount of \$25,000 to Fort Worth Sister Cities International as a matching gift for the City of Fort Worth's additional funding.

The Sid W. Richardson Foundation has not funded Fort Worth Sister Cities International in the past; therefore, our gift should be considered a new funding source.

If there is additional information required, please let me know.

Sincerely,

Pete Geren
President

Dear Ms. Washington:

This letter confirms on November 23, 2022, the Amon G. Carter Foundation funded a \$25,000 grant to Fort Worth Sister Cities International in response to a request to help meet the match offered by the City of Fort Worth for additional funding.

Historically, a related entity, the Amon G. Carter Star-Telegram Employees Fund has contributed annual operating support averaging \$20,000 to Fort Worth Sister Cities. The \$25,000 payment from the Amon G. Carter Foundation this past November is additional funding and the entire amount should be considered new money and eligible for the matching incentive.

The Carter Foundation recognizes the importance of Fort Worth Sister Cities' dedicated mission to promote Fort Worth globally while also enriching the local community through international education, exchange, and commerce. We appreciate the City of Fort Worth's additional support of these efforts.

If you need additional information, please contact me at 817-332-2783 or jrobinson@agcf.org.

Sincerely,

John H. Robinson
Executive Vice President
