DATE: 09/15/20

M&C FILE NUMBER: M&C 20-0660

LOG NAME: 2020SW_TEMPORARY CLOSURE OF PARKER HENDERSON ROAD

SUBJECT

(CD 5) Extend the Temporary Closure of Parker Henderson Road between David Strickland Road and 75 Feet North of the Willow Springs Mobile Home Park Driveway for Construction Purposes to December 31, 2020

RECOMMENDATION:

It is recommended that the City Council authorize extension of the temporary closure of Parker Henderson Road between David Strickland Road and 75 feet north of the Willow Springs Mobile Home Park driveway for construction purposes to December 31, 2020.

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department (TPW) requests extending the closure of Parker Henderson Road from David Strickland Road to 75 feet north of Willow Springs driveway to December 31, 2020 for the installation of storm boxes on Prairie Dog Creek (City Project No. C01419). Parker Henderson Road is a 22 foot wide asphalt roadway and is to be reconstructed from Mansfield Highway to Kellis Street over the next several months. Mayor and Council Communication (M&C) 20-0359 authorized the initial road closure.

While during most of this project it is planned to keep Parker Henderson Road open during construction, this particular closure is necessary as the size of the storm boxes being installed measures 11 feet x 11 feet. This section of roadway, as well as the remainder of Parker Henderson Road, will be constructed with concrete. Local residents shall have access to their properties at all times and alternate access will be provided to Prairie Dog Park.

Traffic control plans for this project have been previously been accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
