SUBJECT

(CD 2) Ratify the Extension of the Temporary Closure of a Section of Grand Avenue between N Main Street to N Grand Avenue from January 31, 2025 to May 31, 2025 for Construction Activities

RECOMMENDATION:

It is recommended that the City Council ratify the extension of the temporary closure for a section of Grand Avenue between N Main Street to N Grand Avenue from January 31, 2025 to May 31, 2025 for construction activities.

DISCUSSION:

In August 2024, by Mayor and Council Communication (M&C) 24-0649, the City Council approved the temporary closure of a section of Grand Avenue between N Main Street to N Grand Avenue from November 1, 2024 to January 31, 2025 for storm sewer installation improvements (City Project Nos. 103664, 103665, and C00969). This project has not been finished due to inclement weather and unforeseen challenges. The contractor has requested an extension to the closure. The Development Services Project Manager has confirmed that the public has been notified of the closure extension. The traffic control plans for this project have been previously accepted.

The purpose of this M&C is to ratify Transportation and Public Work's extension of the temporary closure end date from January 31, 2025 to May 31, 2025.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
