DISCUSSION:

GRBK Edgewood LLC (Developer) has expressed interest in entering into a Development Agreement with the City of Fort Worth for approximately 858 acres of real property located within the extraterritorial jurisdiction of the City of Fort Worth in Tarrant County. The site is north of Peden Road, east of Morris Dido Newark Road, west of Business 287, and south of Tinsley Lane.

Pursuant to the Development Agreement, the Developer will develop the Property as a multi-use master planned community consisting of single-family, multi-family, and commercial uses including open space, and other public and private amenities. The City will serve as the retail provider of water and sewer services to the area. Water, sewer, drainage, roadway, and other public infrastructure are not currently available to serve the intended development of the property. The Developer intends to design, construct, install, and/or make financial contributions to certain on-site and off-site public improvements to serve the Property and adjacent properties.
