

# Mayor and Council Communication

DATE: 01/12/21

M&C FILE NUMBER: M&C 21-0017

LOG NAME: 19NSCEAP2021

## **SUBJECT**

(ALL) Authorize Acceptance of a Grant from the Texas Department of Housing and Community Affairs in an Amount Up to \$8,000,000.00 for the 2021 Comprehensive Energy Assistance Program, a Federally Funded Program Sponsored by the United States Department of Health and Human Services Designed to Provide Utility Payment Assistance and Energy Conservation Education for Low to Moderate Income Residents, Authorize Related Contracts, Adopt Appropriation Ordinance, and Waive Indirect Costs

---

## **RECOMMENDATION:**

It is recommended that the City Council:

1. Authorize the acceptance of Comprehensive Energy Assistance Program funds in an amount up to \$8,000,000.00 from the Texas Department of Housing and Community Affairs;
  2. Authorize the execution of related contracts, including any amendments, renewals and extensions in accordance with City policies and regulations with the Texas Department of Housing and Community Affairs for the grant funds for the program year beginning on January 1, 2021 and ending on December 31, 2021;
  3. Adopt the attached appropriation ordinance increasing estimated receipts and appropriations in the Grants Operating Federal Fund in an amount up to \$8,000,000.00, subject to receipt of the grant; and
  4. Waive indirect costs.
- 

## **DISCUSSION:**

The City of Fort Worth contracts with the Texas Department of Housing and Community Affairs (TDHCA) to provide the Comprehensive Energy Assistance Program (CEAP) through the Community Action Partners (CAP), which is managed by the City's Neighborhood Services Department. The TDHCA has notified the City to use the prior year's grant award and contract amount as a planning figure for the 2021 CEAP. The total 2020 contract amount was \$6,747,841.00. CAP staff projects an increase in funding resulting in an estimated grant award in an amount up to \$8,000,000.00 for this program in 2021. The additional appropriation takes into account anticipated energy rate increases and the award of subsequent grant amounts due to other grantees being unable to spend their funding. During the past five years, the City has received an average of \$5,782,948.00 per year and as much as \$6,747,841.00 in one year.

The three components of the program are:

1. Household Energy Crisis - weatherization and/or energy related assistance, repair of HVAC systems and/or purchase of window units;
2. Utility Assistance - assistance to all eligible households with priority given to household composition of elderly and/or disabled members or a child under the age of five; and
3. Education - providing information about energy conservation measures.

All households at or below 150 percent of the Federal Poverty Income Guidelines will be afforded access to the program. Applicant households will be determined eligible according to income guidelines and program policies. Benefit determinations include household income, household size, energy consumption and/or vulnerability, and the availability of funds. CAP staff will accept applications at nine neighborhood CAP facilities and at other identified locations throughout Tarrant County. Payments will be made for eligible clients directly to the utility vendors, and heating and cooling system repair companies.

TDHCA allows no more than 7.22 percent of the grant award (excluding travel and training) to be budgeted for administrative costs and 13.29 percent for program service costs. The remaining funds will be used for Household Energy Crisis and Utility Assistance for the duration of the contract. From January 2020 to September 2020, CAP served 4,162 households and 10,643 individuals using this grant.

A waiver by the City of indirect costs will maximize program benefits. CEAP provides for 20 full-time positions with estimated direct salaries of \$975,000.00. The addition of indirect costs would result in the reduction of staff and services. The estimated indirect costs that are being asked to be waived is \$182,618.00.

No matching funds are required from the City for the CEAP Grant.

This program serves ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: Texas Department of Housing and Community Affairs

---

## **FISCAL INFORMATION / CERTIFICATION:**

The Director of Finance certifies that upon approval of the above recommendations and adoption of the attached appropriation ordinance, funds will be available in the current operating budget, as appropriated, in the Grants Operating Federal Fund. The Neighborhood Services Department (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to an expenditure being incurred, the Neighborhood Services Department has the responsibility to validate the availability of funds. This is a reimbursement grant.
