

City of Fort Worth, Texas

Mayor and Council Communication

DATE: 02/13/24M&C FILE NUMBER: M&C 24-0133

LOG NAME: 60SSC118AZBFUNDING

SUBJECT

(CD 8, CD 9 and CD 11) Adopt Appropriation Ordinance in the Amount of \$100,000.00 for Increased Project Costs for the Sanitary Sewer Rehabilitation, Contract 118 Project and to Effect a Portion of Water's Contribution to the Fiscal Years 2024-2028 Capital Improvement Program

RECOMMENDATION:

It is recommended that the City Council adopt the attached appropriation ordinance increasing estimated receipts and appropriations in the Water and Sewer Capital Projects Fund in the amount of \$100,000.00, transferred from available funds within the Water and Sewer Fund, for the purpose of funding the Sanitary Sewer Rehabilitation, Contract 118 project (City Project No. 102789) and to effect a portion of Water's contribution to the Fiscal Years 2024-2028 Capital Improvement Program.

DISCUSSION:

On August 03, 2021, Mayor and Council Communication (M&C) 21-0538, the City Council authorized an engineering agreement in the amount of \$302,590.50 with Arredondo, Zepeda & Brunz, LLC, (City Secretary Contract No. 56320) and an additional \$234,814.50 for related expenses for a project total of \$537,405.00 for the Sanitary Sewer Rehabilitation, Contract 118 project.

The additional appropriations in this M&C will provide for additional real property acquisition for the remaining sanitary sewer easements that are necessary on the project.

It is the practice of the Water Department to appropriate its CIP plan throughout the Fiscal Year, instead of within the annual budget ordinance, as projects commence, additional funding needs are identified, and to comply with bond covenants. The actions in the M&C will appropriate funds in support of the Water's portion of the City of Fort Worth's Fiscal Years 2024-2028 Capital Improvement Program, as follows:

Capital Fund Name	Project Name	FY2024 CIP Appropriations	Authority	Budget Change (Increase/ Decrease)	Revised FY2024 Budget
Fund 56002 - W&S Capital Projects	102789 – SS Rehab Contract 118	\$0.00	This M&C	\$100,000.00	\$100,000.00

Funding is budgeted in the Transfer to Water/Sewer account of the Sewer operating budget for the purpose of funding the Sanitary Sewer Rehabilitation, Contract 118 project within the Water & Sewer Capital Projects Fund.

Appropriations for Water and Sanitary Sewer Rehabilitation, Contract 118 project are as depicted below:

Fund	Existing Appropriations	Additional Appropriations	Project Total*
W&S Capital Projects Fund 56002	\$537,405.00	\$100,000.00	\$637,405.00
Project Total	\$537,405.00	\$100,000.00	\$637,405.00

*Numbers rounded for presentation purposes.

This project is located in COUNCIL DISTRICTS 8, 9 and 11.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that funds are currently available in the Water & Sewer Fund and upon approval of the above recommendation and adoption of the attached appropriation ordinance, funds will be available in the W&S Capital Projects Fund for the SS Rehab Contract 118

project. Prior to any expenditure being incurred, the Water Department has the responsibility to validate the availability of funds.
