DISCUSSION:

This request is submitted to the City Council as per the policy for street closures.

Colonial Country Club has requested street closures and operational modifications around the venue during the golf tournament. Street closures will reduce the amount of traffic in the adjacent neighborhoods, June 7, 2020 thru June 14, 2020, improve access for emergency vehicles and ensure the safety of the participants and spectators for the Charles Schwab Challenge golf tournament, which has been rescheduled from its original date in May due to the COVID-19 coronavirus pandemic. Residents will be allowed access to their homes at all times.

3600 - 3700 Blocks of Country Club Circle
3700 - 3900 Blocks of Mockingbird Lane, with Mockingbird Court
3600 - 3700 Blocks of West Cantey Street
2000 Block of Rogers Avenue (Riverfront Drive to Colonial Parkway)

The affected Neighborhood Associations support the street closures. A traffic control plan and detour route has been approved. The Department of Transportation and Public Works, Transportation Management Division, has reviewed and concurs with this request.
