---

**RECOMMENDATION:**

It is recommended that the City Council authorize the temporary closure of Monroe Street between West 10th Street and Texas Street to replace 450-feet of a 12-inch water main from June 24, 2020 thru July 24, 2020.

---

**DISCUSSION:**

The City of Fort Worth Transportation & Public Works Department (TPW) requests the closure of Monroe Street between West 10th Street and Texas Street from June 24, 2020 through July 24, 2020 for installation of a 12-inch water main. Parking is available for City Hall staff and visitors on 10th Street between Jennings Street west towards Burnett Park; Jennings Street from 10th Street to Texas Street; and on 13th Street. Closure hours are Monday - Friday, 7 A.M. – 7 P.M. If necessary, work will also be scheduled for Saturdays from 7 A.M. – 2 P.M.

This road closure is located in Council District 9, Mapsco 77A.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.
