

Mayor and Council Communication

DATE: 05/12/26

M&C FILE NUMBER: M&C 26-0351

LOG NAME: 60REJECTRLSLRC1-LONESTARD

SUBJECT

(ALL) Reject Sole Bid Received for Residential Lead Service Line Replacement Contract 1

RECOMMENDATION:

It is recommended that the City Council reject the sole bid received for Residential Lead Service Line Replacement Contract 1 - Citywide verification, repair and replacement of lead material for private-residential water service lines on private property from meter to dwelling (City Project No. 106471).

DISCUSSION:

The purpose of this Mayor & Council Communication is to reject the bid received for Residential Lead Service Line Replacement Contract 1.

The work involves replacement of lead and galvanized water service lines supplying private-residential dwellings from meter to structure under federal Lead and Copper rules.

The project was advertised for bid on March 11 and March 18, 2026 in the *Fort Worth Star-Telegram*. On April 16, 2026, the following bids were received:

Bidder	Amount	Time of Completion
Lonestar Drain LLC	\$947,375.00	365 Calendar Days

Lonestar Drain LLC's bid has been determined to be non-responsive to the contract documents due to failure to be prequalified by the Water Department at the time bids were received on the project.

Staff intends to re-advertise the project for bids in the near future.

This project is located in ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
