Mayor and Council Communication

DATE: 06/02/20

M&C FILE NUMBER: M&C 20-0359

LOG NAME: 2020SW_TEMPORARY CLOSURE OF PARKER HENDERSON ROAD

SUBJECT

Authorize the Temporary Closure of Parker Henderson Road between David Strickland Road and 75 Feet North of the Willow Springs Mobile Home Park Driveway for construction purposes from June 3, 2020 through August 14, 2020 (COUNCIL DISTRICT 5)

RECOMMENDATION:

It is recommended that the City Council authorize the temporary closure of Parker Henderson Road between David Strickland Road to 75 feet north of the Willow Springs Mobile Home Park Driveway to install multiple storm box culverts at Prairie Dog Creek and reconstruct this segment of Parker Henderson Road in concrete pavement (City Project No. C01419).

DISCUSSION:

The City of Fort Worth Transportation and Public Works Department (TPW) requests the closure of Parker Henderson Road from David Strickland Road to 75 feet north of Willow Springs Driveway from June 3, 2020 through August 14, 2020 for installation of storm boxes on Prairie Dog Creek (City Project No. C01419). Parker Henderson Road is a 22 foot wide asphalt roadway and is to be reconstructed from Mansfield Highway to Kellis Street over the next several months.

While during most of this project it is planned to keep Parker Henderson Road open during construction, this particular closure is necessary as the size of the storm boxes being installed measures 11 feet x 11 feet. This section of roadway, as well as the remainder of Parker Henderson Road, will be constructed with concrete. Local residents shall have access to their properties at all times and alternate access will be provided to Prairie Dog Park.

This road closure is located in Council District 5.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
