## DISCUSSION:

The Texas Department of Transportation (TXDOT) Commercial Motor Vehicle (CMV) grants are aimed at reducing the number of commercial motor vehicle crashes, injuries, and fatalities. The TXDOT CMV grant will pay for the overtime hours of the police officers participating in the program. TXDOT CMV grant activities include enforcement of speed, seatbelts, impaired driving, and intersection traffic control laws.

The total proposed direct program amount for Fiscal Year 2027 is an amount up to \$122,000.00, which includes an amount up to \$25,000.00 in match funds. The required minimum amount of matching funds is 20%. Funds will be budgeted for overtime and associated fringe benefits for an estimated 900 enforcement hours, with an additional estimate of 45 hours for administering the grant.

Match funds will be provided through the Fiscal Year 2027 Crime Prevention Control District budgeting process. Should match funding not be identified, the grant award would not be accepted.

Indirect costs are allowed and will be accepted at 3.51% and an estimated cost of \$2,582.00. The Grants Application Repository Number is GRNT-APPL-0000000159.

A Form 1295 is not required because: This contract will be with a governmental entity, state agency or public institution of higher education: State of Texas
