Hi Christian,

I completed truck registration and inspection.

License: 1M9 4296

Still waiting on insurance underwriters to provide final documents but won't change effective date of 2/17/21.

Assuming risk management is ok, will my application go before City Council next week?

Thanks,

Hi Christian,

It was a good to meet you last Friday at South Side Service Center. I learned a lot and hopefully will complete the process soon.

- ✓ 1295 certificate attached
- ✓ COI app attached (effective 2/17/21), please ask risk management is this will work until underwriters get caught up
- ✓ Truck info:
  - Make: Kenworth
  - Model: T370 Tandem Axle
  - Year: 2021
  - License: (will receive tomorrow after inspection)

Do you think the City Council will approve next week?

Thanks,
