2. Find that the terms of, and the property subject to, the Tax Abatement Agreement meet the criteria and guidelines set forth in the Neighborhood Empowerment Zone Program Basic Incentives and Tax Abatement Policy.

DISCUSSION:

EA Wealth Management, LLC (Property Owner) is the owner of the property described as Block 9, Certain Portion of Lot 112, McConnells Addition, an Addition to the City of Fort Worth, Tarrant County, Texas according to the map or plat recorded in Volume 388, Page 44, Plat Records, Tarrant County, Texas at 1101 E. Rosedale Street, Fort Worth, Texas. The property is located within the Historic Southside neighborhood and Neighborhood Empowerment Zone Area Six (NEZ).

The Property Owner plans to invest an estimated amount of \$176,265.00 for the rehabilitation of a building with approximately 1,116 square feet for use as grocery and general retail space (Project). The Neighborhood Services Department reviewed the application and certified that the Property Owner and Project met the eligibility criteria to receive a NEZ Municipal Property Tax Abatement. The NEZ Basic Incentives include a five-year Municipal Property Tax Abatement on the increased value of improvements to the qualified owner of any new construction or rehabilitation within the NEZ. All Multi-Family, commercial, industrial, community facilities and mixed use tax abatements are capped at 150 percent of the Capital Investment. The capped value for this tax abatement will be \$264,398.00.

The Property Owner received a Certificate of Appropriateness from the Urban Design Commission for the Project on October 24, 2025.

Upon execution of the Tax Abatement Agreement (Agreement), the total assessed value of the improvements used for calculating municipal property tax will be frozen for a period of five years starting January 2027 at the estimated pre-improvement value, as defined by the Tarrant Appraisal District (TAD) in September 2025, as follows:

Pre-Improvement TAD Value of Improvements	38,931.00
Pre-Improvement Estimated Value of Land	\$4,800.00
Total Pre-Improvement Estimated Value	43,731.00

The estimated municipal property tax to be abated on the improved value of the Project after completion based on the capped value, is estimated in the amount of \$1,180.98 per year for a total amount of \$5,904.90 over the five-year period, not counting increases from reappraisals. However, this estimate may differ from the actual tax abatement value, which will be calculated based on the TAD appraised value of the property.

In the event of a sale of the property, the Agreement may be assigned to an affiliate of the property owner without the consent of the City Council. If the property is sold to a new owner, other than an affiliate, the Agreement may be assigned only with City Council approval and provided that the new owner meets all of the eligibility criteria as stated in the NEZ Basic Incentives and Tax Abatement Policy.

This property is located in COUNCIL DISTRICT 8.

**FISCAL INFORMATION / CERTIFICATION:**

The Director of Finance certifies that upon approval of the Tax Abatement Agreement, a loss of an estimated \$5,904.90 in property tax revenue may occur over the five-year period. This reduction in revenue will be incorporated into the long term financial forecast upon the Tax Abatement being officially granted.
