---

**RECOMMENDATION:**

It is recommended that the City Council authorize the temporary closure of a section of Comanche Trail from Malaga Drive to Marina Drive and a section of Marina Drive from Comanche Trail to 75-feet north from January 3, 2023 to May 3, 2023 for construction activities.

---

**DISCUSSION:**

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of a section of Comanche Trail from Malaga Drive to Marina Drive and a section of Marina Drive from Comanche Trail to 75-feet north for stormwater improvements (City Project Number 103396). This location has a history of overtopping during heavy rains. Stormwater Management plans to relocate utilities, add a drop structure, widen/straighten Comanche Trail at the water crossing, install sidewalks, drainage, pavement, and guardrails.

Traffic control plans for this project have been previously accepted. The City of Lake Worth has been informed of this action and has raised no concerns.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

**FISCAL INFORMATION / CERTIFICATION:**

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
