"I move that the Fort Worth City Council adopt the resolution authorizing use of the power of eminent domain to acquire 2.704 acres of land in Permanent Easement and approximately 2.625 acres for a Temporary Easement Acquisition from real property owned by Chapin Holdings LLC. The subject property is located at 4501 West Loop 820 South, in the T.G. Zachary Survey, ABST. No. 1759, City of Fort Worth, Tarrant County, Texas. The land rights in the subject property are needed for the Mary's Creek Force Main, a public use that provides for transporting wastewater to the future Mary's Creek Water Reclamation Facility in order to treat wastewater produced in the rapidly developing western part of the City. The property interest to be acquired is described by metes and bounds and depicted by survey exhibits attached to this Mayor and Council Communication."

Funding is budgeted in the Water & Sewer Bond 2017A Fund for the Water Department for the purpose of funding the MC LS Site & FM Align project, as appropriated.

This property is located in COUNCIL DISTRICT 3.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that funds are available in the current capital budget, as previously appropriated, in the Water & Sewer Bond 2017A Fund for the MC LS Site & FM Align project to support approval of the above recommendations and acquisition of easements. Prior to any expenditure being incurred, the Property Management and Transportation and Public Works Departments have the responsibility to validate the availability of funds.
