Dear Mary Elliott, AICP:

I am writing to request an appeal of the denial from the City Plan Commission of the vacation request (VA-20-024). We would like to make a public appearance and present our case. We were present during both meetings and for some reason we were unable to be heard. We could hear the discussion but no one could hear us. I had sent in a request to speak and never received the webex invite password last Wed so we called in using the phone number that was provided. Thank you for taking the time to help us in the matter.

Sincerely,

Margie & Robert Little
