SUBJECT

(CD 9) Reject All Responses to the Invitation to Bid for the Jennings, Henderson and Main Street Bridge Railing Rehabilitation, South Main Gateway and Waterline Improvements Project

RECOMMENDATION:

It is recommended that the City Council reject all responses to the invitation to bid for the Jennings, Henderson and Main Street Bridge Railing Rehabilitation, South Main Gateway and Waterline Improvements project (City Project No. 102185).

DISCUSSION:

This Mayor and Council Communication (M&C) is to reject all bids received for the Jennings, Henderson and Main Street Bridge Railing Rehabilitation, South Main Gateway and Waterline Improvements project (City Project No. 102185).

This project was advertised for bid on January 28, 2026, and February 4, 2026, in the *Fort Worth Star-Telegram*. On February 26, 2026, the following bid was received:

Bidders	Amount
Ragle, Inc.	\$11,889,279.65

After evaluating the submitted bid, it was determined that the sole bid received presented prices for certain components of the scope of work that significantly exceeded the staff's estimates. For this reason, staff recommends rejecting this bid. Staff intends to readvertise this project at a later date.

This project is located in COUNCIL DISTRICT 9.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
