RECOMMENDATION:

It is recommended that the City Council:

DISCUSSION:

On September 26, 2000, the Mayor and City Council adopted Resolution No. 2675 establishing Fort Worth Public Improvement District No. 7, Heritage (Heritage PID). State law requires an annual report on the proposed budget and Five-Year Service Plan, which are attached. The general nature of the proposed improvements and/or services to be provided in the Heritage PID include:

- A Landscaping, Construction, and Maintenance Program consisting of planting and maintenance of special supplemental landscaping and the maintenance of supplemental irrigation systems, fountains, ponds, and parks;
- Specialty lighting and street sign maintenance along boulevards, parks, and open spaces;
- Select fence maintenance in and along boulevards, perimeters, and open spaces;
- Supplemental security services;
- A Public Events Program consisting of recreational activities, special events, and holiday lighting;
- Capital improvements benefitting the Heritage PID; and
- A Management Program to provide for the administration, management, and operation of the Heritage PID, which includes a key person to respond to neighborhood issues and the unique daily needs of the property owners within the Heritage PID.

The City's Payment In-Lieu of Services, which is included as a line item on the Five-Year Service Plan, will require a transfer of City funds. The City's Payment In-Lieu of Services is a supplement to the Heritage PID Budget and intended to provide for the standard level of improvements and services as comparable to what would be provided by the City for the taxpayers generally.

On December 15, 2020, the City Council adopted a Revised Policy for Operating Public Improvement Districts (Resolution 5312-12-2020), which sets forth the City's administrative fee structure for all PIDs. The City's administrative fee is set at the greater of: (1) two percent (2%) of the projected externally generated revenue for that year, to include special assessments and any City contributions; or (2) \$2,000.00.

The proposed 2022 Assessment Rate on property subject to assessment in the Heritage PID is \$0.15 for residential properties and \$0.11 for commercial properties per each \$100.00 of valuation. Subsequent actions will formally establish the assessment rate and the corresponding budget for Fiscal Year 2022-2023. The proposed 2022 Assessment Roll for the Heritage PID has been on file with the City Secretary and available for public inspection during normal business hours.

The Heritage PID is located in COUNCIL DISTRICTS 4 & 7.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of these recommendations will have no material effect on City funds.
