DISCUSSION:

The purpose of this Mayor and Council Communication is to authorize the application for and acceptance of, if awarded, a grant from the United Way of Tarrant County in an amount up to \$200,000.00 for the Volunteer Income Tax Assistance program. The United Way of Tarrant County has funds available for agencies to implement the Asset Development and Income Support Initiative for Fiscal Year 2022-2023. The outcome of this initiative is to positively impact the financial stability of Tarrant County working families.

One method to accomplish this is by assisting low-income families through the Volunteer Income Tax Assistance (VITA) program. In 2001, VITA became a community based program that provides tax return preparation, outreach products and financial education. The goal is to deliver a program and teach people how to invest their refunds in an advantageous manner to assist them with becoming self-sufficient.

During the 2022 Fiscal Year, the Neighborhood Services Department administered the program through the Community Action Partners at eight sites throughout Tarrant County. If the funds are awarded, the Neighborhood Services Department will administer the program in 2022-2023. As of June 15, 2022, total of 3,397 tax returns were completed for an overall refund amount of \$ 5,698,613.00 of which \$1,794,948.00 was earned income credit dollars from 1,110 clients. Twelve clients chose to purchase savings bonds and eleven clients decided to split their refund by placing a portion in a savings account. The impact to Tarrant County's economy is \$6,666,555.00 in refunds and money saved.

The goal for the department is to assist up to 3,500 unduplicated low-income workers file their tax returns through a VITA site and to file for approximately \$1.5 million in Earned Income Tax Credits (EITC). EITC can supplement the income for families while they work to advance their earnings. This will enable these families to meet daily living expenses, begin saving, build assets and achieve a level of financial stability.

This grant is a competitive grant received from the United Way of Tarrant County. The grant has been consistently awarded to the City since 2014. Grant funds support administrative and program delivery allocations for 1.00 FTE position in the Neighborhood Services Department.

Positions funded with United Way VITA grant are subject to grant availability. In the event of a grant award being decreased or eliminated, Neighborhood Services Department would review programs and services funded by the grants and determine a level of service and staffing that aligns with the available funding. Alternative to consider may include staff and program reductions or eliminations.

The grant does not allow for indirect costs to be charged. As a result, all funding will be applied to direct services to operate the program.

This program serves ALL COUNCIL DISTRICTS.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and adoption of the attached appropriation ordinance, funds will be available in the current operating budget, as appropriated, of the Grants Operating Other Fund. Neighborhood Services (and Financial Management Services) will be responsible for the collection and deposit of funds due to the City. Prior to expenditures being incurred, Neighborhood Services has the responsibility to validate the availability of funds. This is an advance grant.
