Re: *FY2022 Certified Local Government Grant Award for the City of Fort Worth, Texas.*

Dear Mr. Newhart:

The Texas Historical Commission (THC) appreciates your interest and application to the Certified Local Government (CLG) Grant Program. We are pleased to inform you that the grant request from the City of Fort Worth of \$47,500 for the City Historic Resources Survey Phases V-VI Project was selected for funding by the Commission at their February meeting.

We do not anticipate any issues in funding your grant; however, we are still awaiting the exact amount of the THC's federal allocation. Grant funding is contingent upon this federal allocation, and until the final amount is known we are unable to execute a contract with the City for its project. We anticipate being able to finalize the grant agreement with you in March. Funded projects will have until September 30, 2023 to complete their work. Please remember that work performed before the execution of a contract between the City and the THC will not be eligible for reimbursement.

Over the next several weeks, CLG Program staff will host a grant orientation and work with project managers to hone the project's scope of work. Thank you for your efforts to preserve and promote our state's heritage and we look forward to working with you on this important project. **Should you have any questions or if we can be of further assistance, please contact me at 512.463.7812.**

Sincerely,

A handwritten signature in blue ink that reads "Lorelei Willett".

Lorelei Willett
