Importance: High

Dear Rhonda –

See below regarding email from our HUD rep – there is apparently not an official award letter for ESG-CV2. However, below are snips that I took from the HUD website and from the excel sheet at the link, showing the \$6 million amount for the ESG-CV2 (see link below, if Finance wants to check this.) Hopefully if forward this, it will be enough for you to get the FIDs needed for the M&C that Fernando wanted on the Sept 15 council agenda.

Let me know if you have further questions.

CPD PROGRAM FORMULA ALLOCATIONS AND CARES ACT SUPPLEMENTAL FUNDING FOR FY 2020

The Fiscal Year (FY) 2020 budget for the Department of Housing and Urban Development has been enacted. These spreadsheets provide full-year allocations for the Office of Community Planning and Development's (CPD) formula programs: Community Development Block Grants (CDBG); CDBG Recovery Housing Program (RHP); HOME Investment Partnerships (HOME); Housing Opportunities for Persons with AIDS (HOPWA); Emergency Solutions Grants (ESG); Housing Trust Fund (HTF); and Coronavirus Aid, Relief, and Economic Security (CARES Act) supplemental funding.

The allocations reflect the level of funding approved for these programs in your community. The amounts also reflect approved grant reductions and include any reallocated funds for the CDBG and HOME programs. Under the CDBG program, some metropolitan cities have a [joint grant agreement](#) with an urban county to administer their CDBG grant (applicable to [CARES grants](#) as well). The urban county amounts shown in this table include the funds allocated to any metropolitan city. The metropolitan city and urban county amounts are not shown separately.

Barbara, I have not received a copy of any letters, so I am not sure if HQ's mailed out anything. Please go with the information on the website.

Subject: Award Letter for ESG-CV2 - \$6 million???

Dear CeCe:

For the first round of CARES funding, we received a formal set of letters (see attached) – but I have been looking through all my stuff and don't see a formal letter for the second round of ESG-CV2? Were we supposed to get a formal letter? I know the amount is posted on HUD Exchange at this link...https://www.hud.gov/program_offices/comm_planning/budget/fy20

It is in yellow below ---- We have gone through our planning process for these funds and are getting ready to get City Council approval, and do the next Substantial amendment, and our Finance Dept wants to see the award letter? Was this sent to the City Manager's office and I just haven't gotten a copy – or did I lose it????!! (I hope not, but my desk is so messy that is not outside the realm of possibility!)

In any case, please let me know if we got some kind of official notification other than the posting on the website – I looked through my email and didn't see anything, hopefully I did not delete it?

Thanks in advance for your help!
