SUBJECT

RECOMMENDATION:

DISCUSSION:

On May 14, 2025 and May 21, 2025, a Request for Qualifications (RFQ) was advertised in the *Fort Worth Star-Telegram* for "Engineering Services at City of Fort Worth Spinks Airport," which included "Future Proposed Projects" the City may plan on initiating within the next five-year period at the Airport. This Project was included on the list of proposed projects. On June 12, 2025, eight statements of qualifications were received, and a team of four evaluators consisting of members of the Aviation Department evaluated and scored the submissions on the following criteria: (A) Recent Experience of the Project Team with Comparable Airport Projects within the Past Ten Years (25 points possible), (B) Proposed Technical Approach (25 points possible), (C) Project Team Availability and Ability to Meet Schedules and Deadlines (20 points possible), (D) Construction Management Experience (20 points possible), and (E) Public Engagement (10 points possible).
