DISCUSSION:

The proposed Tax Abatement Reinvestment Zone No. 105, City of Fort Worth, Texas (TARZ 105) is for the property located at 16101 Wolff Crossing in Fort Worth, Texas (Property). A more detailed description of the Property is included as Exhibit A to the attached Ordinance. Carhartt, Inc., or an Affiliate, (Company) is considering leasing the Property to develop a distribution center. The proposed project is anticipated to result in at least \$50 million in real and business personal property investment, along with the creation of at least 500 full-time jobs with a minimum salary of \$55,000.00.

Designating this area as a reinvestment zone allows the City the option to enter into a tax abatement agreement with the Company to help facilitate development within this area.

As required by Chapter 312 of the Texas Tax Code, a public hearing must be conducted regarding the creation or expansion of a Reinvestment Zone. Notice of this hearing was delivered to the governing body of each affected taxing unit and published in a newspaper of general circulation at least seven days prior to this hearing.

Pursuant to Chapter 312 of the Texas Tax Code, the area encompassing the proposed TARZ 105 meets the statutory criteria for designation as a Tax Abatement Reinvestment Zone because the area is likely, as a result of the designation, to contribute to the retention or expansion of primary employment or to attract major investment in TARZ 105 that would be a benefit to the Property and that would contribute to the economic development of the City. Further, the proposed improvements and investments are feasible and practical and would be a benefit to the land to be included in the TARZ 105 and to the City after the expiration of any tax abatement agreement.

The term of TARZ 105 will be five years from the date of adoption of the attached Ordinance and may be renewed for periods not to exceed five years each unless otherwise allowed by law.

The proposed zone is located in COUNCIL DISTRICT 7.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of these recommendations will have no material effect on City funds.
