RECOMMENDATION:

It is recommended that the City Council:

1. Authorize acquisition of a right-of-way easement in 0.157 acres and permanent drainage easement in 0.328 acres from real property owned by AIP Keller Hicks, LLC located at 4562 Keller Hicks Road in the J. Billingsley Survey, Abstract No. 70, Tarrant County, Texas, for the Keller Hicks Road Project (City Project No. 103276);
2. Find that the total purchase price of \$119,668.00 is just compensation and pay estimated closing costs in an amount up to \$3,500.00 for a total cost of \$123,168.00; and
3. Authorize the City Manager or his designee to accept the conveyance and record the appropriate instruments.

DISCUSSION:

The right-of-way and permanent drainage easement interests are needed for the reconstruction and widening of Keller Hicks Road from Lauren Way to Park Vista Boulevard. Keller Hicks Road is approximately 3,100 feet in length and is identified in the City's Master Thoroughfare Plan as a three-lane commercial connector. The proposed project will replace the existing two-lane asphalt road with a concrete three-lane street that will have travel lanes in each direction including a mutual left-turn lane, drainage, street lights and ten-foot sidewalks, ramps, and signals that conform with The Americans with Disabilities Act (ADA).

An independent appraisal established the property's fair market value and the property owner has agreed to the negotiated amount of \$119,668.00 as total compensation for the needed property interests (as shown below). The City will pay estimated closing costs in the amount up to \$3,500.00.

Upon City Council approval, Staff will proceed with acquiring the needed right-of-way easement interests.

Once debt associated with a project is sold, debt proceeds will reimburse the interim financing source in accordance with the statement expressing official Intent to Reimburse that was adopted as part of the ordinance canvassing the bond election (Ordinance 25515-05-2022).

Funding is budgeted in the TPW Dept Highway & Streets Department's 2022 Bond Program Fund for the purpose of funding the Keller Hicks Road Project, as appropriated.
