Re: *FY2024 Certified Local Government Grant Award for Fort Worth, Texas.*

Dear Ms. Willett:

The Texas Historical Commission (THC) appreciates your interest in and application to the Certified Local Government (CLG) Grant Program. We are pleased to inform you that the grant request from the City of Fort Worth in the amount of \$36,770 for the City of Fort Worth Historic Resources Survey Update (Phase VII) was selected for funding by the Commission at their January 31 quarterly meeting.

In the upcoming weeks, CLG Program staff will schedule and host a virtual grant orientation meeting and also work with the project manager to hone your project's scope of work. We do not anticipate any issues in funding your grant; however, we are currently awaiting the exact amount of the THC's federal allocation. Grant funding is contingent upon this federal allocation, and until the official amount is known we are unable to execute a contract with the City for its project. We anticipate finalizing the grant agreement with you in March. Funded projects will have until September 30, 2026, to complete their work. Please remember that any work performed before the execution of a contract between the City and the THC would be ineligible for reimbursement.

Thank you for your efforts to preserve and promote our state's heritage and we look forward to working with you on this important project. Should you have any questions or if we can be of further assistance, please contact me at 512.463.7812 or [kelly.little@thc.texas.gov](mailto:kelly.little@thc.texas.gov).

Sincerely,

Kelly Little  
Certified Local Government Coordinator

cc: The Honorable Mattie Parker, Mayor, City of Fort Worth
