

# Mayor and Council Communication

**DATE:** 01/23/24

**M&C FILE NUMBER:** M&C 24-0042

**LOG NAME:** 20TEMPORARY CLOSURE OF A SECTION OF WEATHERFORD RD

**SUBJECT**

(CD 7) Authorize the Temporary Closure of a Section of Old Weatherford Road between Hickory Bend Lane and 4500 Feet West of the Intersection from January 2, 2024 to April 4, 2024 for Construction Activities

---

**RECOMMENDATION:**

It is recommended that the City Council authorize the temporary closure of a section of Old Weatherford Road between Hickory Bend Lane and 4500 feet west of the intersection from January 2, 2024 to April 4, 2024 for construction activities.

---

**DISCUSSION:**

The City of Fort Worth Transportation and Public Works Department requests the temporary closure of a section of Old Weatherford Road between Hickory Bend Lane and 4500 feet west of the intersection for the installation of a new stormwater line to service the Carrell Hills Subdivision Development project (City Project Number 104034). This project will consist of the installation of a stormwater line along the centerline of the roadway from Old Weatherford Road to Hickory Bend Lane. The initial excavation and tap for the stormwater line are at the intersection of Old Weatherford and Hickory Bend Lane. Once installation and repaving are completed, the roadway will be reopened to normal traffic operations while a new Old Weatherford Road is constructed on the adjacent north side. Traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

---

**FISCAL INFORMATION / CERTIFICATION:**

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
