LOG NAME: 13P ITB 22-0139 WATER PIPES REPAIR PARTS MC WATER

SUBJECT

(ALL) Authorize Execution of Non-Exclusive Agreements with Core and Main LP, Ferguson Enterprises LLC and Fortiline Inc., for Water Pipe Repair Parts for the Water Department in a Combined Amount Up to \$673,000.00 for the Initial Term and Authorize Five Annual Renewals Options for the Same Amount

RECOMMENDATION:

It is recommended that the City Council authorize execution of non-exclusive agreements with Core and Main LP, Ferguson Enterprises LLC and Fortiline Inc., for water pipe repair parts for the Water Department in a combined amount up to \$673,000.00 for the initial term and authorize five annual renewal options for the same amount.

DISCUSSION:

The Water Department, Field Operations Division approached the Purchasing Division to finalize an annual agreement to supply water pipe repair parts, used to maintain the water distribution system throughout the City of Fort Worth. In order to procure these products, staff issued an Invitation to Bid (ITB). ITB No. 22-0139 consisted of detailed specifications describing the various applications and requirements for these water pipe repair parts and listing product types with full descriptions and all quantities required.

The ITB was advertised in the *Fort Worth Star-Telegram* on May 18, 2022, May 25, 2022, June 1, 2022 and June 8, 2022. The City received three (3) responses. Staff evaluated the responses based on the lowest responsible bidder and determined that it is in the City's best interest to award non-exclusive purchase agreements to all three bidders. Under these non-exclusive agreements, the department will order goods according to lowest cost and availability. No guarantee was made that a specific amount of goods would be purchased. Staff certifies that the recommended vendors met the bid specifications.

FUNDING: The maximum amount allowed under this agreement will be \$673,000.00, however the actual amount used will be based on the need of the department and available budget. The annual department allocation for this agreement is:

	Estimated	
Department	Annual	Account Name

	Amount	
Water	\$673,000.00	5610506 - Commercial Meter/Valve Supply

Funding is budgeted in the Water Department's rollup within the Water & Sewer Fund.

DVIN-BE: A waiver of the goal for Business Equity subcontracting requirement is approved by the DVIN-BE, in accordance with the Business Equity Ordinance, because the purchase of goods or services is from sources where subcontracting or supplier opportunities are negligible.

ADMINISTRATIVE CHANGE ORDER: An administrative change order or increase may be made by the City Manager up to the amount allowed by relevant law and the Fort Worth City Code and does not require specific City Council approval as long as sufficient funds have been appropriated.

AGREEMENT TERMS: Upon City Council approval, this agreement shall begin upon execution and expire on September 30, 2022.

RENEWAL OPTIONS: The City shall have five options to renew the Agreement; four (4) one-year renewal periods (October 1st to September 30th) and the fifth renewal period which shall run from October 1st to the anniversary of the date of execution. This action does not require specific City Council approval provided that the City Council has appropriated sufficient funds to satisfy the City's obligations during the renewal term.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that funds are available in the current operating budget, as previously appropriated, in the Water and Sewer Fund to support the approval of the above recommendation and execution of the agreement. Prior to any expenditure being incurred, the Water Department has the responsibility to validate the availability of funds.
