DATE: 09/13/22

M&C FILE NUMBER: M&C 22-0666

LOG NAME: 13P22-0152 VETERINARY SUPPLIES AND PHARMACEUTICALS

SUBJECT

(ALL) Authorize Execution of Non-Exclusive Agreements with Founder Project Rx, Inc., Intervet, Inc. dba Merck Animal Health, MWI Veterinary Supply Co., and Midwest Veterinary Supply, Inc. for Veterinary Supplies and Pharmaceuticals in a Total Combined Annual Amount Up to \$1,000,000.00 for the Code Compliance Department and Authorize Five One-Year Renewal Options for the Same Annual Amount

RECOMMENDATION:

It is recommended that the City Council authorize non-exclusive agreements with Founder Project Rx, Inc., Intervet, Inc. dba Merck Animal Health, MWI Veterinary Supply Co., and Midwest Veterinary Supply, Inc. for veterinary supplies and pharmaceuticals in a total combined annual amount up to \$1,000,000.00 for the Code Compliance Department and authorize five one-year renewal options for the same annual amount.

DISCUSSION:

The Code Compliance Department approached the Purchasing Division to purchase veterinary supplies and pharmaceuticals. This agreement will provide necessary veterinary supplies and pharmaceuticals for the Animal Shelters to treat animals that are rescued and treated before they can be placed for adoption. Purchasing staff issued an Invitation to Bid (ITB) to procure these goods.

ITB 22-0152 was advertised in the *Fort Worth Star-Telegram* on June 1, 2022, June 8, 2022, June 15, 2022 and June 22, 2022. The bid opened on June 23, 2022. The Purchasing Division received five (5) responses. Alpha Pro Med was deemed non-responsive because they did not have the required five (5) years of experience. Staff evaluated the remaining responses based on the lowest responsible bidder and determined that it is in the City's best interest to award non-exclusive purchase agreements to four (4) bidders. Purchasing Staff certifies that Founder Project Rx Inc, Intervet Inc. dba Merck Animal Health, MWI Veterinary Supply Co. and Midwest Veterinary Supply Inc. meet the requirements stated in the specifications. Purchasing Staff recommends awarding purchasing agreements for a combined total up to \$1,000,000.00 to meet the Department's needs. Products will be ordered based on price and availability. No guarantee was made that a specific amount of products would be purchased.

FUNDING: The maximum combined annual amount allowed under this agreement will be \$1,000,000.00, however, the actual amount used will be based on the need of the department and available budget. Funding will be budgeted in the FY 2023 Operating budget in the Drugs Medicines and Lab account of the Code Compliance Department's General Fund.

AGREEMENT TERMS: Upon City Council's approval, this agreement shall begin upon execution and expire on September 30 of that year.

RENEWAL TERMS: The Agreement may be renewed automatically for five one-year renewal options for the same annual amount. The renewals do not require specific City Council approval as long as sufficient funds have been appropriated.

DVIN-BE: A waiver of the goal for Business Equity subcontracting requirements is approved by the DVIN-BE, in accordance with the Business Equity Ordinance, because the purchase of goods or services is from sources where subcontracting or supplier opportunities are negligible.

ADMINISTRATIVE CHANGE ORDER: An administrative change order or increase may be made by the City Manager up to the amount allowed by relevant law and the Fort Worth City Code and does not require specific City Council approval as long as sufficient funds have been appropriated.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and adoption of the Fiscal Year 2023 Budget by the City Council, funds will be available in the Fiscal Year 2023 operating budget, as appropriated, in the General Fund. Prior to an expenditure being incurred, the Code Compliance Department has the responsibility to validate the availability of funds.
