DISCUSSION:

The purpose of this Mayor and Council Communication (M&C) is to authorize execution of a contract with William J. Schultz, Inc. dba Circle C Construction Company, in the amount of \$1,000,000.00, for Sewer Main Extension, Replacements & Relocations Contract 2022, with two optional renewals.

The work to be performed under this contract consists of extending, repairing, replacing or relocating sewer mains and services as required to provide quality sewer service to individual customers or developers. While funding for this project comes from the Water and Sewer Capital Fund, the Water Department issues work orders to the contractor after payment of applicable estimated costs by the customer and/or developer.

The bid documents included a stipulation that the total quantities listed may not reflect actual quantities and that the amount budgeted for the projects is \$1,000,000.00. Final payments will be made based on actual measured quantities. The bid documents also included a stipulation giving the City the option to renew (subject to appropriated funding) this contract two times under the same terms, conditions and unit prices.

The project was advertised for bid on November 24, 2022 and December 1, 2022 in the *Fort Worth Star-Telegram* and on January 5, 2023 the following bids were received.

Bidder	Amount	Time of Completion
William J Schultz, Inc. dba Circle C Construction Company	\$6,283,225.00	365 Calendar Days

Staff has reviewed the proposed unit prices and considers them to be fair and reasonable.

In addition to the contract amount, \$300,000.00 is required for project management, material testing and inspection.

It is the practice of the Water Department to appropriate its CIP plan throughout the fiscal year, instead of within the annual budget ordinance, as projects commence, additional funding needs are identified, and to comply with bond covenants. The actions in the M&C will appropriate funds in support of the Water's portion of the City of Fort Worth's Fiscal Years 2023-2027 Capital Improvement Program, as follows:

Capital Fund Name	Project Name	FY2023 CIP Appropriations	Authority	Budget Change (Increase/Decrease)	Revised FY2023 Budget
Fund 56002 - W&S Capital Projects	104266 - Misc 2022 Sewer Main Ext	\$0.00	This M&C	\$1,300,000.00	\$1,300,000.00

Funding is budgeted in the Transfer to Water/Sewer account of the Sewer operating budget for the purpose of funding the Misc 2022 Sewer Main Ext project within the Water & Sewer Capital Projects Fund.

Appropriations for Sewer Main Extension, Replacements & Relocations Contract 2022 as depicted below:

Fund	Existing Appropriations	Additional Appropriations	Project Total*
W&S Capital Projects - Fund 56002	\$0.00	\$1,300,000.00	\$1,300,000.00
Project Total	\$0.00	\$1,300,000.00	\$1,300,000.00

***Numbers rounded for presentation purposes.**

This project will have no impact on the Water Department's operating budget when completed.

FISCAL INFORMATION / CERTIFICATION:
