**Zoning Education**

The Community Engagement Office has offered a Zoning 101 presentation at our annual workshops. This was created in partnership with the City's zoning staff, and outlines the zoning process and provides information on how residents can get involved in land use decisions. The presentation is being updated and will be available to Neighborhood Associations and HOAs as part of the regular curriculum offered by the CE staff. Staff will also use the presentation to create a short informational video on the zoning process.

For zoning questions in relation to the Zoning notifications, please contact Stephen Murray, Zoning and Land Use Manager, at 817-392-6226 or Michelle Gutt, Community/Public Engagement Director, at 817-392-6248.
