

**ATTACHMENTS FOR AGREEMENT BETWEEN THE CITY OF FORT WORTH
AND DIXIE FRIEND GAY FOR
FINAL DESIGN AND COMMISSION OF PUBLIC ART FOR NORTH Z BOAZ PARK**

Exhibit A: Approved Revised Preliminary Design *One With the Bee*

One With the Bee, artist Dixie Friend Gay's Preliminary Design for an artwork for North Z Boaz Park, will be a playful, 20 foot tall flower form, fabricated in Corten steel, with a swelling form at ground level that tapers as it rises, flaring outward in tipped petals at the top. A 160-degree opening on one side of the piece allows the viewer to see into the center of the flower, and the scale allows the visitor to experience the art much as an insect would an actual flower.

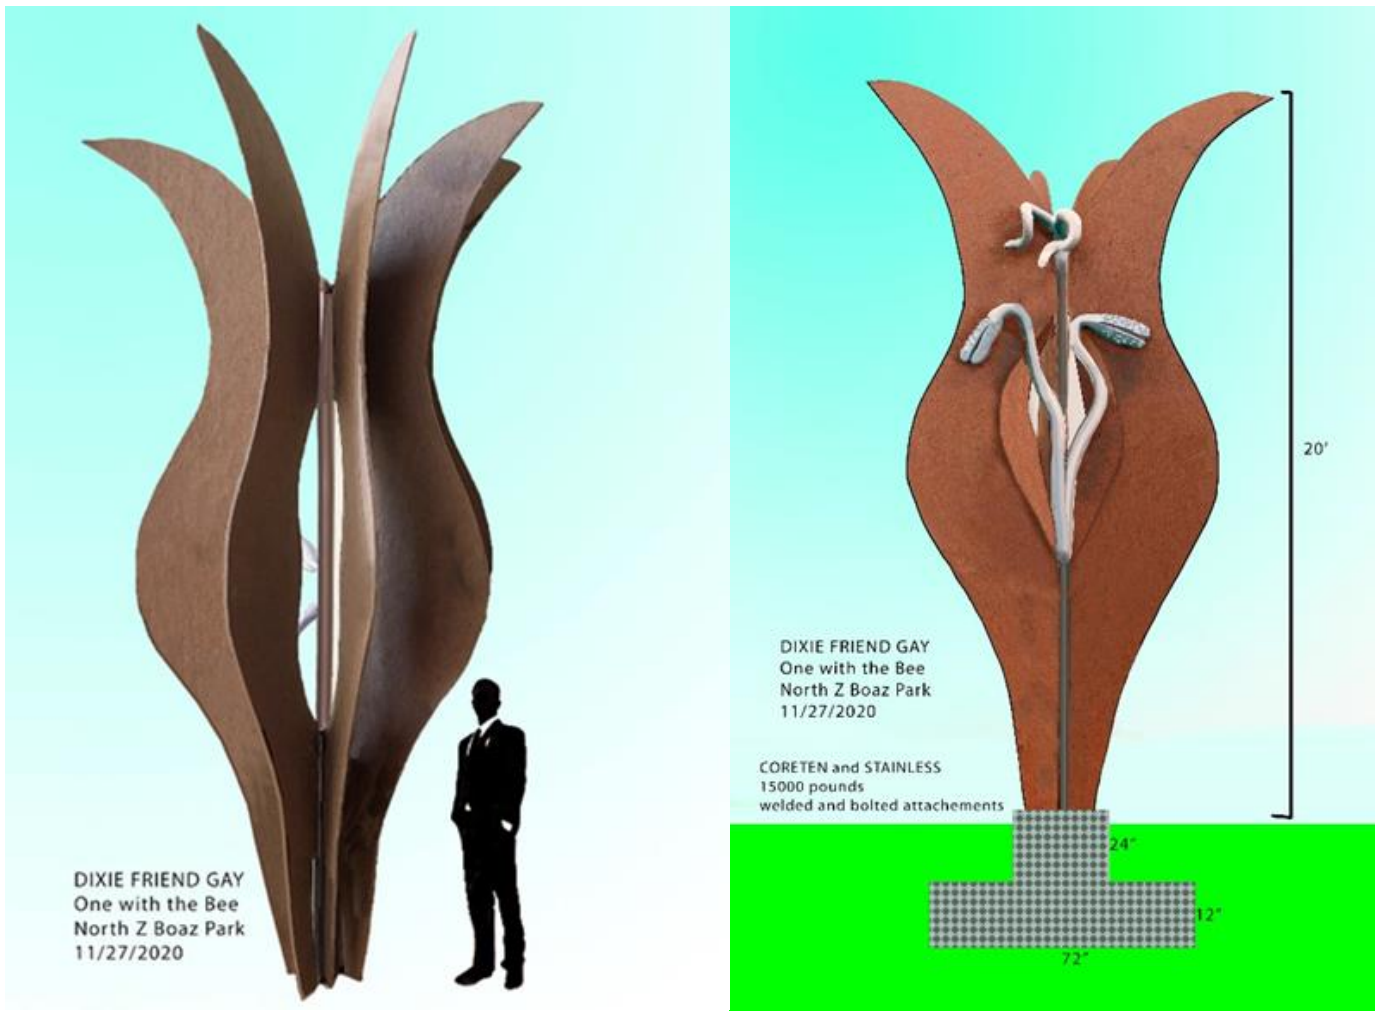

Exhibit B: Artist Proposed Site

The artwork will be located at the northeast corner of the park near a new planned entrance, where it will be easily accessible, highly visible and have the greatest impact. The exact location for the artwork is being determined in coordination with the City's Parks Department, the Project Core Team and in relationship to the improvements called out in the Updated North Z Boaz Park Master Plan.
