## SUBJECT

(CD 8) Authorize the Temporary Closure of a Section of Oak Grove-Shelby Road between South Race Street and Caddy Court from May 3, 2021 to July 2, 2021 for Construction Activities

## **RECOMMENDATION:**

It is recommended that the City Council authorize the temporary closure of a section of Oak Grove-Shelby Road between South Race Street and Caddy Court from May 3, 2021 to July 2, 2021 for construction activities.

#### **DISCUSSION:**

The City of Fort Worth Transportation and Public Works Department (TPW) requests the temporary closure of a section of Oak Grove-Shelby Road to demolish the existing asphalt pavement, install new storm drain, and rebuild with concrete pavement.

This request is made in the interests of workers and public safety. Approving this closure request will expedite the completion time of the project by eliminating an entire construction sub-phase.

Traffic control plans for this project have been previously accepted.

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

#### FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that approval of this recommendation will have no material effect on City funds.
