WHEREAS, Grantee desires to engage in the business of collecting and transporting municipal solid waste produced within the City;

NOW THEREFORE, for and in consideration of the mutual promises and agreements herein set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby confessed and acknowledged, the City and Grantee agree as follows:

- 1. <u>PRIVILEGE</u>: A non-exclusive privilege is hereby granted to use the public streets, alleys and thoroughfares within the corporate limits of the City of Fort Worth for the purpose of engaging in the business of collection of solid waste.
- 2. <u>TERM</u>: The term of this Agreement shall be for a period of five (5) years. This Agreement shall automatically renew at the end of every five year term of the Agreement unless notice of termination is provided by one party to the other at least thirty (30) days prior to the date of renewal.
- 3. SCOPE AND NATURE OF OPERATION: It is expressly understood and agreed that the Grantee may collect and deliver for disposal all solid waste, including recyclable materials, accumulated on premises within the corporate limits of the City, where the individuals or companies contract with the Grantee for those services excluding residential service other than apartment complexes and motels. Grantee will, at its own expense, furnish personnel and equipment to collect solid waste and will establish and maintain in an efficient and businesslike manner the contracted services. Grantee will furthermore comply with all pertinent rules, regulations, laws, and ordinances as directed by the City of Fort Worth and all other governmental entities having jurisdiction thereupon.
- 4. <u>REGULATION OF VEHICLES:</u> All vehicles used by the Grantee for the collection and transportation of solid waste shall be registered with the City, shall have a permit attached thereto, and shall be covered at all times while loaded and in transit to prevent the spillage of solid waste onto the public streets or properties adjacent thereto. than four (4) inches in height. All such vehicles shall be cleaned and maintained by Grantee so as to be in good repair and of good appearance and, when idle, free of solid waste residue as may cause odor or provide a breeding place for vectors.

- 5. <u>REGULATION OF LEASED CONTAINERS:</u> It is specifically understood and agreed that the City of Fort Worth shall permit the Grantee to rent or lease containers for collection purposes to the owner or occupant of any premises within the corporate limits of the City, excluding residential customers other than apartment complexes and motels, for collection purposes subject to the following requirements:
 - (1) ALL such containers shall be constructed according to good industry practice in the trade;
 - (2) ALL such containers shall be equipped with suitable covers to prevent blowing or scattering of solid waste while being transported for disposal of their contents:
 - (3) ALL such containers shall be cleaned and maintained by grantee so as to be in good repair, of a good appearance and free of such solid waste residues as may cause odor and provide a breeding place for vectors;
 - (4) ALL such containers used for the disposal of food waste or other putrescible material shall be serviced no less than two times per week; and
 - (5) ALL such containers shall be clearly marked with the grantee's name and telephone number in letters not less than four (4) inches in height.

The City of Fort Worth and the Grantee expressly agree that regardless of any responsibility which may be placed on the citizens of Fort Worth or other third parties for the above five requirements, the Grantee under this contract agrees to be responsible for each of the five requirements and to fulfill each of them without asserting they are the responsibility of some third party.

- 6. <u>DAMAGE TO PUBLIC PROPERTY</u>: Grantee expressly agrees to assume liability for all costs of repair of public streets, bridges, rights-of-way, and other facilities that are damaged as a result of negligence by Grantee, its officers, agents, or its employees during it's operations pursuant to this agreement.
- 7. <u>DISPOSAL OF SOLID WASTE</u>: It is specifically understood and agreed that Grantee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by responsible governmental agencies having jurisdiction thereupon. Disposal of all solid waste collected by the Grantee from premises within the corporate limits of the City of Fort Worth must be made at a lawfully permitted sanitary landfill. Grantee's violation of this provision shall be cause for revocation of this Agreement.

Revised by CRL 20020829v1

- 8. SOLID WASTE COLLECTION: The collection of solid waste between the hours of 11:00 p.m. and 6:00 a.m. shall be prohibited. However, Grantee may seek permission from the Assistant Director Solid Waste Services/Code Compliance Department ("Director") in writing by stating the particular hours Grantee wishes to collect waste and the reasons necessary for this exception. Upon receiving a written request, which must be mailed by the US Postal Service, returned receipt requested, the Director shall have ten (10) days to make a determination and shall notify the Grantee in writing of the decision within fifteen (15) days of the receiving notice. The Director reserves the right to review that decision if a complaint is received. The Director shall notify the Grantee, and the Grantee may present evidence to the Director or designated representative regarding such complaint. The Director or his designated representative shall determine (1) whether such collection between the hours of 11:00 p.m. and 6:00 a.m. did, in fact, occur at that location and was the cause of such complaint, and if so, (2) whether such collection at those hours and at that location should be prohibited and the Grantee's exception revoked.
- 9. <u>FEE</u>: For and in consideration of the covenants and agreements herein contained, Grantee hereby agrees to pay to the City of Fort Worth a fee of ten percent (10%) of the gross revenues generated from Grantee's operations within the City.
 - (A) <u>Calculation:</u> The calculation of gross revenues generated from operations within the City shall include all revenue derived, directly or indirectly by Grantee from or in connection with its operations within the service area covered by this agreement, excluding revenues generated from contracts with the City for residential garbage and recycling services, as determined in accordance with generally accepted accounting principles. Gross revenues shall include, but are not limited to, revenues received from the collection and disposal of all solid waste.
 - (B) Fee Payment: The fee shall be paid on a quarterly basis no later than thirty (30) days after the end of each calendar quarter. The payment shall be made to the City of Fort Worth, Code Compliance Department, Solid Waste Services Division, 4100 Columbus Trail, Fort Worth, TX 76133.
 - (C) <u>Delinquent Payments:</u> Fee payments received after the due date shall be subject to interest at the rate of twelve (12%) percent per annum until the fees are paid in full.
- 10. <u>REPORTS</u>: Each quarterly payment shall be accompanied by a financial accounting report using the form which is attached as Exhibit A, showing the basis for the computation of the quarterly payment and

- c) a description and the total estimated volumes of each type of waste material recycled by the solid waste hauler.
- 11. <u>AUDITING BOOKS AND RECORDS</u>: The City shall have the authority to arrange for and conduct, at the City's expense, an audit of the books and records of the Grantee at the Grantee's location. The records kept on site by Grantee shall include at a minimum the list of accounts, the number and size of containers, the frequency of collection and the revenue generated. The Grantee shall be given at least five (5) days notice of the audit, a description of and the purpose for the audit, and a description, to the best of the City's ability of the books, records, and documents the City wishes to review. Grantee shall pay the costs of audit if the results of the audit establish that Grantee has underpaid the fees required hereunder in any given year by 5% or more.
- 12. <u>FORFEITURE</u>: The failure or refusal of the Grantee to comply with any of the provisions of this Agreement or any of the provisions of the Code of the City of Fort Worth, or any other applicable rules, regulations, laws and ordinances shall be deemed a breach of this Agreement. The Director shall notify the Grantee of such breach and the Grantee shall have 30 days to cure the breach. If the breach is not cured within 30 days and no "good faith" effort is being made to cure the breach, the Director may recommend to the City Council that at a regularly scheduled City Council meeting it should declare the privilege forfeited and may exclude the Grantee from further use of the streets of the City under the privilege. The Grantee shall thereupon immediately surrender all rights in and under the privilege and the privilege shall be null and void.
- 13. <u>INDEMNITY INSURANCE</u>: Grantee assumes all risk of loss or injury to property or persons arising from any of its operations under this Agreement, and agrees to indemnify and hold harmless the City of Fort Worth from all claims, demands, suits, judgments, costs or expenses, including attorney's fees, arising from any such loss or injury.
